RE: New York State Thruway MP 191.32 Over Flat Creek Bridge Replacement Project, Montgomery County, New York (Contract No. D214385)

Dear Ms. Calderon:

CHA Consulting, Inc., has been contracted to provide engineering services for the New York State Thruway for the bridge replacement project at New York State Thruway MP 191.32 over Flat Creek. Foit-Albert Associates, P.C., has been contracted to provide environmental documentation and reviews for this project. The engineering services shall be progressed in accordance with the current Project Development Manual (PDM) and appropriate sections of the Federal Aid Policy Guide (FAPG). The project is classified as a Categorical Exclusion and a Type II Action under the New York State Environmental Quality Review Act (SEQR) Part 15, Title 17 of the Official Compilation of Codes, Rules, and Regulations of New York State (17 NYCRR Part 15). Enclosed, please find a location map depicting the approximate project limits.

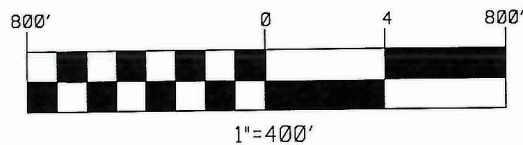

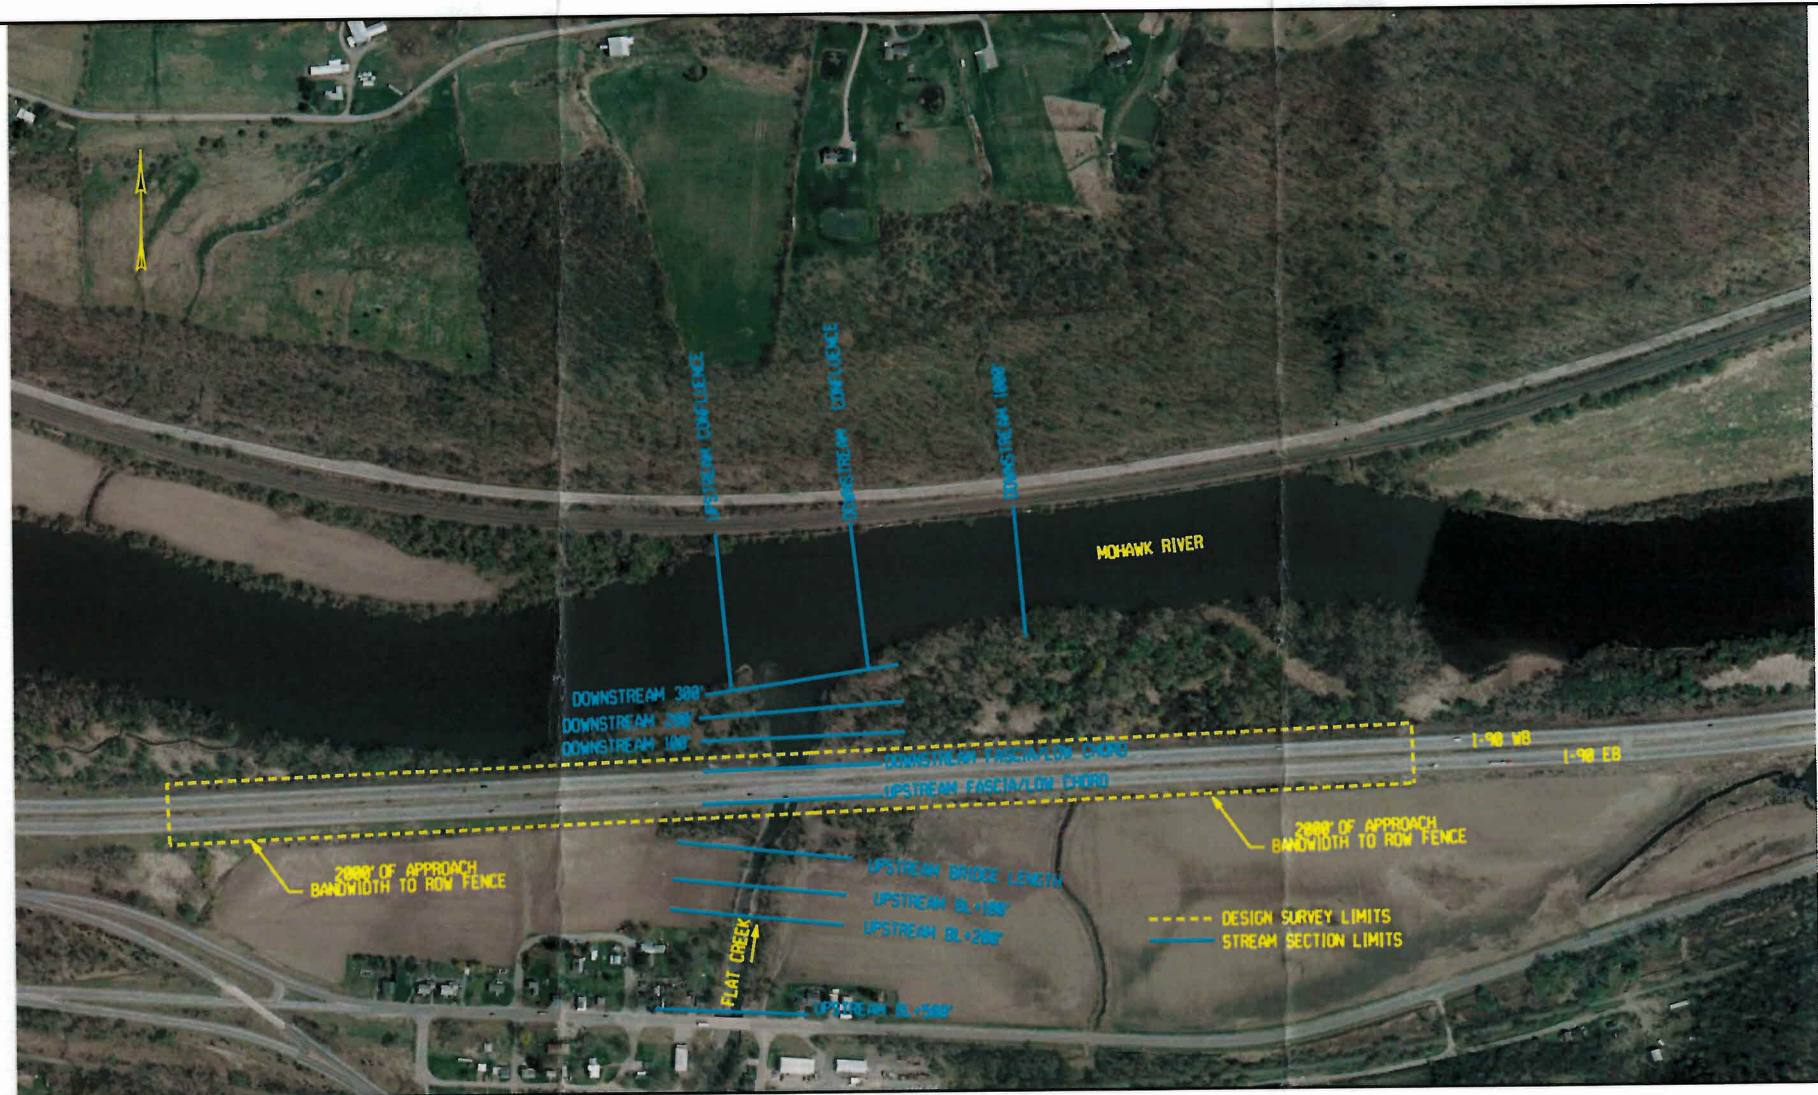

We respectfully request, under the Freedom of Information Law, any available information on the hazardous waste conditions or incident reports that may be contained in the United States Environmental Protection Agency (USEPA) Comprehensive Environmental Response Compensation and Liability Information System (CERCLIS). Also provide any information gained through the Superfund Amendments and Reauthorization Act (SARA) and the Resource Conservation and Recovery Act (RCRA).

Thank you for your time and effort in responding to our request. Please feel free to contact me at (518) 605-4878 or g Nugent@foit-albert.com if you have any questions.

Sincerely,

FOIT-ALBERT ASSOCIATES
